# SPONSORSHIP OPPORTUNITIES

Say YES to a better future for our scholars and our community

You believe it's important to invest in our youth to ensure a brighter future for our community. You also believe education is a tool that can lessen disparities and help children overcome barriers no matter their family's socioeconomic status.

Your sponsorship ensures access to a rigorous, faithbased education that many families in our communities would not be able to afford. In fact, 90% of our general operating revenue is generated through sponsorships, individual donations, and grant funding. Only 6% comes from tuition and fees paid by families.

By becoming an Academy sponsor, you are supporting educational equity, and you are helping our scholars succeed now and in the future.
